

Qualified Business Reply Mail (QBRM) Application

This application is made to distribute Qualified Business Reply Mail (QBRM) cards, envelopes, or self-mailers prepared and distributed for return without prepayment of postage under DMM E150 and S922. QBRM rates and the additional per piece charge will be paid on all pieces returned under this privilege.

Applicant agrees to prepare pieces in accordance with DMM E150, S922, C810, and C840, and understands that failure to conform with these requirements *may result in an inability to receive QBRM rates*. Applicant must submit this completed form and either:

1. 10 BRM samples, or;
2. 10 actual paper mockups cut to the dimension of the BRM piece, PMS ink color, and a pre-production sample or artwork.

QBRM special First-Class postage rates apply: (\$.20 for postcards, .34 for 1-oz. letter-sized, and .23 for each additional ounce or fraction), up to 2 ounces plus a \$.06 (Basic QBRM) or \$.008 (High Volume QBRM) per piece charge for each returned piece.

NOTE: The address of mailpieces distributed under the QBRM program must include the unique ZIP + 4 that is preassigned for the BRM piece and that identifies the type of BRM, the applicable rate, and the individual permit holder.

Enter each BRM ZIP + 4 and check (✓) to indicate the rate(s) at which your QBRM will be returned:
