- *Business account customers can select USPS Connect Local® as a Service Type for their shipping needs.*
- *Business account customers may enroll in Business Rate Card (BRC) pricing which will offer lower business rates prices for Priority Mail and USPS Ground Advantage postage purchases in CNSv2.*
- *All customers can pay for labels via Credit Card, PayPal, Click to Pay, Apple Pay, or an EPS Account.*
- *All customers can edit Click-N-Ship preferences to make it easier to fill out label forms in the future.*

Label Creation Methods

Within the following section, you'll receive step-by-step guidance on creating both international and domestic label(s) via our different label creation methods.

How to Create a Domestic Label

Create a domestic label for a single recipient following the steps below.

1) Begin Single Label Creation Process – Two Options

- a) Option 1: Click on **Create a Single Label** located on the landing page.

The screenshot shows the Click-N-Ship landing page. At the top, there is a navigation bar with links for Label Manager, Shipping History, Address Book, USPS Connect, and Preferences. Below this is a promotional banner for a Business Rate Card. A personalized greeting 'Hi, Ted!' is followed by a 'View Label Manager' button. A summary box shows 519 incomplete labels, 3466 complete labels, 20 incomplete batches, and 1 complete batch. A button for 'Create an EPS Account' is also visible. The main section, 'Let's get started! How would you like to create your labels?', features four options: 'Create a Single Label' (highlighted with a red box), 'Create a Batch', 'Import Labels', and 'Start From Address Book'. Each option includes a brief description of the process.

- b) Option 2: Click on **New Label** located on the Label Manager page.

The screenshot shows the Click-N-Ship Label Manager page. The 'Label Manager' link in the navigation bar is highlighted with a red box. Below the navigation bar, there is a 'Hide Postage on Label' toggle. The page is divided into 'All Labels (96)' and 'Batches (11)'. A 'New Label' dropdown menu is open, with 'New Label' highlighted by a red box. Below the menu, there is a table of labels with columns for Service and Mailpiece, Mailpiece Details, Extra Services, Total Price, and All Labels. The first row shows a label for 'Doe, NE ST, NATI, OH 45220-1333' with a total price of \$4.95. The second row shows a label for 'John A. Doe, 316 PIKE ST, CINCINNATI, OH 45202-4214' with a total price of \$4.95. Buttons for 'Edit', 'Add to Cart', and 'Refresh' are visible.

2) Verify your Sender Details

The Sender Details section is pre-populated by default based on the address associated with your account. To change or update this default address, refer to the Preferences tab located at the top of the landing page.

- To manually edit the Sender Details information (*i.e., Return Address, Email, Phone, Tracking Notifications selections*), click **Edit** to update those fields accordingly. Remember to click **Save** within the Sender Details section to save any changes to the Sender Detail fields.
- If you are shipping from a different ZIP Code than the ZIP Code indicated in your Return Address, please enter the correct shipping from ZIP Code in the **Ship from a different ZIP Code** field. (*e.g.: I am shipping items out of a warehouse in Washington, DC, but items should be returned to my location in New York. I would indicate I am shipping from Washington DC*)

How to Create an International Label

Create an international label for a single recipient following the steps below.

1) Begin Single Label Creation Process – Two Options

Below this, there is a 'Sign Up for a Click-N-Ship® Business Rate Card and Save' section. A greeting 'Hi, Ted!' is followed by a 'View Label Manager' button. A summary box shows '519 Incomplete Labels', '3466 Complete Labels', '20 Incomplete Batches', and '1 Complete Batches'. A 'Create an EPS Account' button is also present. The main section is titled 'Let's get started! How would you like to create your labels?' and contains four options: 'Create a Single Label' (highlighted with a red box), 'Create a Batch', 'Import Labels', and 'Start From Address Book'.

b) Option 2: Select **New Label** located on the Label Manager page.

Other options in the menu are 'New Batch' and 'File Upload'. The main content area shows a label creation form with fields for 'Service and Mailpiece', 'Mailpiece Details', 'Extra Services', and 'Total Price'. The 'Total Price' is \$19.90. A 'Ship to' address is provided: '300 SUPERMAN ST, DECATUR, GA 30000-0000'. A 'Added to cart' notification is visible at the bottom right.

2) Verify your Sender Details

Tell us about your columns

Now it's time to tell us about your columns. We call this process "Field Mapping". Map the column headers is how you tell Click-N-Ship where your CSV information should appear.

Instructions: For each dropdown in column two, select the closest match to name in column one.

Some rows are required and are marked with an asterisk and highlighted with a light blue marker. Assign your column headers to the corresponding column headers Click-N-Ship fields on the left. Your file may not have the same number of fields, and you only need to map the info you want to import. You can edit the mappings if needed. Unmapped fields will not be imported. Not all fields are required.
